Parent/ Carer 1 (full name)

.....

Parent/ Carer 2 (full name)

.....

(Parents/Carers 1 and 2 are referred to as “you”)

Education

We will educate the student with due care and skill in order to maximise their education progress. We guarantee academic progress if your section of the contract is met.

You (student) will engage with the learning program and try your best.

You (parent/carer) will ensure that your student strives for over 95% attendance (and maintains at least 90%) and comes to school ready to learn.

Health

You assure us that you have given us full information about the health of the student and any physical disabilities when applying for enrolment. You will let us know if there is health changes to the student while the student is at MSA.

If something happens to the student in any medical or other emergency and if it is impossible or impractical to communicate with you, the school may take action and incur expenditure as it considers necessary in the best interests of the student. You must pay to us any expenditure we incur protecting the student.

Communication

The school will provide information about the student to both natural parents of the student and to any other person signing this enrolment contract. Under the *Australian Education Act 2013 s77(2)(f)* and the *Australian Education Regulation 2013 s59*, the school will provide reports to “persons having responsibility” for the student. In the absence of a court order, the school will provide these reports to the student’s natural parents. The people signing this enrolment contract may request other arrangements relating to the provision of information about the student by giving notice in writing to us.

To communicate efficiently with parents, and as a cost saving measure, we will communicate with parents at the email addresses they provide to us. If you do not provide an email address or if you request in writing that we provide information other than by electronic means, we will communicate by the other means reasonably requested.

Where communication is to be with the entire school community or with identifiable sections of the school community, the communication may be affected through the school website. We will display on our website the policies and rules with which you and the student are expected to comply.

Fees

Under s14 of the Accreditation Act, students will not be required to pay tuition fees to attend the school. We do however, charge a transport, resources and textbook levy.

You must pay the levy in advance of the term to which they apply and not later than fourteen (14) days after the date of invoice.

If we increase the levy for a term by more than 10% of the levy payable for the preceding term, you may terminate this enrolment contract by notice in writing to us given within fourteen (14) days of the date on which we notify you of the increase.

If you terminate this enrolment contract for any reason other than for:

our breach; or

because of an increase in levy within the time limited by this contract

you must provide us with at least one term's notice.

If you do not provide us with one term's notice, you must nevertheless pay to us one full term's levy. The school commits resources on the basis of confirmed enrolments and will most likely suffer loss from early termination. It may have difficulty filling the student's position at short notice.

If we expel the student, a pro-rata refund will be paid.

Discipline

You must comply with policies, codes of conduct and rules we adopt from time to time. You must ensure that the student complies with those policies, codes of conduct and rules. The policies, codes of conduct and rules do not form part of this contract.

We may discipline the student for failure to comply with directions given by a person in authority or for failure to comply with the school policies and rules. These failures may occur on or off the school campus. The Principal or acting Principal may expel the student from the school for misconduct considered by the Principal or acting Principal to be serious enough to warrant expulsion.

Where discipline may involve expulsion of the student, the Principal or acting Principal will not expel the student until the allegations of misconduct have been put to the student or the student's representative and the student has been allowed an adequate opportunity to respond.

We may search lockers, bags and property of the student where it is reasonable for us to do so or as part of a general or random search of a place where we conduct our activities. We may confiscate forbidden or dangerous property.

Indemnity

You indemnify the school against any loss or damage caused by any failure by you or the student to comply with our rules and policies. You also indemnify us against any loss or damage caused by the willful disobedience or reckless behaviour of the student.
